<b>Luncheon Buffet Plate:</b>	<b>\$30.00</b>

The **Rotary Club of Houston Foundation** was approved by the Secretary of State, Texas and recognized by the Internal Revenue Service as a public, nonprofit, charitable organization under the Internal Revenue Code 501(c)(3).

In 1986, the Rotary Club of Houston initiated Camp Enterprise as an introduction and practical experience for Houston area high school juniors to the free-enterprise economic system. Students are recommended by their teachers, counselors and administrators based upon their scholastic excellence, extra-curricular involvement, and demonstrated leadership. The Rotary Club of Houston evaluates the applicants and selects students to attend a 3-day experience of instruction, competition and teamwork. Through interaction with business executives and entrepreneurs, participating students are introduced to the challenges and opportunities of the free-enterprise system.

## What is Camp Enterprise?

Camp Enterprise is a 3-day immersive experience in business, entrepreneurship, teamwork, ethics and free-market enterprise for 11th grade students across Greater Houston—sponsored and facilitated by the Rotary Club of Houston and our Community Partners. The objective of the program to introduce the challenges and opportunities of the free-enterprise system to students who have been recognized for their leadership skills, as well as their proven academic and social excellence.

## What is the benefit of Camp Enterprise?

Today, leadership and interpersonal skills (teamwork) are the most valuable and marketable job skills sought by employers. Camp Enterprise has a 31-year history of inspiring and building these qualities in our youth. Students who attend Camp Enterprise typically leave with sincere enthusiasm and a sense of direction. At Camp Enterprise, high school teens develop skills in analytical reasoning, public and interpersonal communications, and often express an improved sense of self-confidence. This entrepreneurial experience provides valuable insight of the various facets of the free-enterprise system and challenges students to lead as pioneers in their generation.

*“The most important shot in golf is the next one.”*
